Where are all the Girls and ladies?

We would like to welcome as many girls and ladies to team tennis as we possibly can and we will be relying on our membership base to bring them into the fold. We all know someone who may be thinking about playing, so the first step is to come down to the club and have a hit.

Teams are all graded, so you'll be playing against players of the same standard.

Tennis is a great way to burn fat and improve your cardio fitness. So grab a team entry form at our website www.deerparktc.com. And return it by the due date.

A great way to get fit and have fun at the same time! See Shane at social tennis every Tuesday and Sunday evening from 7pm to 9pm for more information.

RETRO TENNIS TOURNAMENT — CELEBRATE 50 YEARS!

Great to see all our members participating in our Spring All Court Tournament over the weekend. Both junior and senior players enjoyed the event and now we move our focus to the main event on Saturday, November 2, our "Retro Tournament" and back to the 1960s, which will be a unique experience for all.

The senior event will include the use of wooden racquets, which will test players skill in touch and volley tennis, just like the good old days of Australian tennis c.1960.

Players are required to wear all white of Wimbledon and 1960's tennis attire! There are a few photos from the 1960's on the club house wall if you need any ideas.

As this event is being held to mark our 50th Anniversary at Sassella Park, a historic club photograph will be taken. Prices for the best 1960's dressed players too!

This classic event is sure to sell out! Be quick and register your interest today by completing an entry form from our website www.deerparktc.com or from the club house and give it to a club official.

We can only cater for 50 players in the senior event starting at 1pm.

A BBQ afternoon tea will be included in the senior entry fee.

SPRING ALL-COURT TENNIS RESULTS

Congratulations to Jessica Ewert and Jules Nisperos on winning the girls and boys junior singles tournament last weekend. Also to Jodie Husman and Justin Nisperos for being finalists.

This event was a test of endurance with 7 sets played by each player during the day! In the men's doubles Kelami Ata teamed up with Shane Braszell on Tuesday night to hold off Elton Farrugia and Matt Inees 6-5 in the final. Well done to all those involved.
